DESCRIPTION

With its ultra soft curves and inviting design, the Rest is a new perspective on the typical living room sofa with a design that draws you in to relax and take a rest in its soft cushions.

PRODUCTION PROCESS

100% hand made sofa.

MATERIAL

Steel base, wooden frame, oak wood legs, cold foam (35/seat, 25/back) /feather filling, standard fabrics from Kvadrat. Legs: Natural oak or black-stained.

CLEANING AND CARE

Rest has removable upholstery on the armrests and cushions, which can be taken off and dry cleaned. See Kvadrat.dk for further cleaning instructions for your chosen textile. As the Rest sofa is feather padded, it is important to regularly massage and beat the cushions and armrests into place, like done to a normal feather cushion. Regularly massaging and beating cushions and armrests, will keep the sofa's shape and comfort.

MADE-TO-ORDER

Grey and black legs available made-to-order. The Rest studio sofa and pouf are made-to-order. The Rest sofa series can be upholstered in all colors from Kvadrat's Remix, Rime, Steelcut, Steelcut Trio, Hallingdal and Fiord, Coda, in all United Fabric's Wooly colors and in 4 additional colors from Arve's Vancouver textile series.
