

SHADOWS

PRODUCT DESIGN

Lucie Koldova
Dan Yeffet

Paying homage to its typological heritage, the Shadows collection is a new take on the recognized and timeless French atelier pendant spot light. The five-lamp clusters feature different types of glass shade that slide over a wooden neck. The variable fittings allow you to apply your own creativity in composing new lighting experiences every day, while the purity of form is underscored by the hidden light source – a warm LED spotlight.

SURFACE

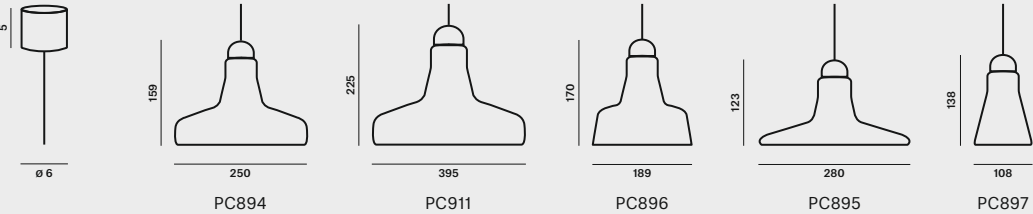

CCS 518 surface European oak waxed
CCS 657 surface European oak natural
CCS 592 European oak stained, black
